Homeowners Affordability Tax Credit Application

(For City of Dauphin Residents Only)

To be eligible for the Homeowners Affordability Tax Credit on your property tax bill, the property must be your principal residence; you must have occupied the residence as of January 1 in the application year and you must not be receiving the credit for any other residence. If this application is made after preparation of the current year tax bills, the current year's credit may need to be claimed on your next personal income tax return.

HATC Refund Request

If application date is after the tax bills have been printed, the HATC refund will need to be requested from the municipality or the homeowner could claim this amount on their personal income tax.

No refund cheque will be issued if a tax account is in arrears. In this case, a refund can be applied directly to the tax account.
